

WIN A SENSORY LIGHTING PACK WORTH OVER £2000!

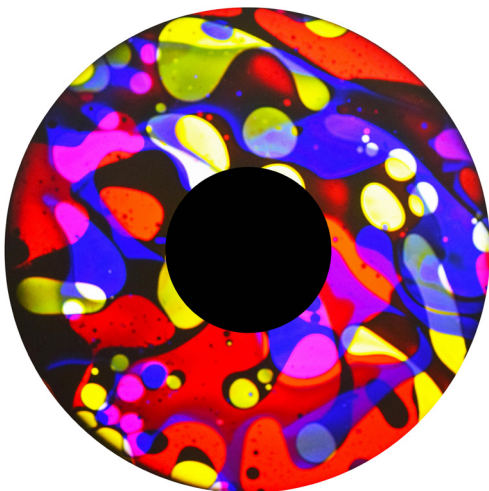

In celebration of Autism Awareness Month we are delighted to announce our new competition for you to win this incredible prize for your local school or community centre.

In celebration of **Autism Awareness Month** we are delighted to announce our new competition with a fantastic prize of a sensory lighting pack consisting of 1x OPTI Solar 100 LED Projector, 10x oil effect wheels, 1x dual rotator and 13x 9" (Max) pictorial effect wheels worth over **£2000!!!!**

Sensory lighting is an excellent resource for children to use for relaxation or stimulation and is a core product and theme in multi-sensory environments.

To win this incredible prize for your establishment all you have to do is name this lighting effect wheel by **May 19th 2017**. Multiple entries are encouraged.

To enter simply send your entries to marketing@rhinouk.com with the subject line Competition entry.

To help with choosing the best names we have set the following criteria for the competition:

- The name must consist of 2 words i.e. Pink Lady or Valentines Sun
- The names must be appropriate in terms of longevity and brevity as this is a 40 year old product that will last for another 40 years
- The names must be appropriate to use in sales and marketing teams (i.e. comprehensible and decency)
- The name must make sense
